# Stoneridge Road To Hit The Stage Friday Night

Barnesville residents Leah Baker and Eric Newell have been performing together as Stoneridge Road since 2011. After realizing a shared passion for creating live music, the duo has performed at several local venues and community events over the years.

With Newell on guitar and vocals and Baker adding vocals, Stoneridge Road engages audiences with a variety of music including a selection of pop, country, rock and some original tunes.

Come out and enjoy the music on Friday, August 25 on the Main Stage at 6:30 p.m.
