All profits from the sale of souvenirs go back to offset Festival expenses.

Located right inside the new shop space is there is a map of the United States and a map of Minnesota. Visitors are encouraged to put a pin on the map to show where they are from.

Each year festival organizers track where visitors are from and have found all 50 states have been represented at one time or another.

The Information Booth located, right at the four way stop across from the Main Stage, is open from 9:00 a.m. to 9:00 p.m. both days of the Festival.

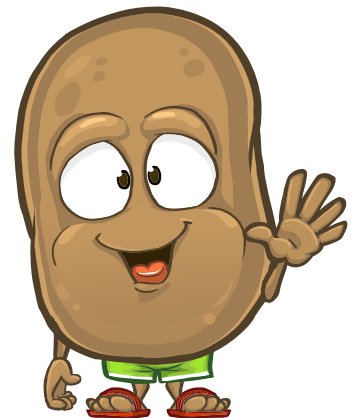

One can find a copy of the tabloid, brochure with full schedule and maps of locations of festival events. The volunteers manning the booth are more than happy to answer any questions and receive any comments one might want to share.

## SPUD JOKE

**Why did the potato salad blush?**

**Answer:**

Because it saw the salad dressing.

Buying a Potato Days Souvenir is a good way to remember all the fun one has while attending the events at the Potato Days Festival. And where better to get a Potato Days souvenir than at their office at 124 Front Street located right next to the Information Booth or across from the Main Stage. Come shop in air conditioning.

While you are shopping you can also check out some memorabilia that we have collected over the years. You can share with your family memories and look back at what fun the festival has been throughout its duration.

Back again this year is the Potato Days Cookbook. This is a collection of over 300 recipes from past Potato Cook-Off Competitions.

Fun souvenirs available for purchase will be the following
