

OBION COUNTY CENTRAL AND OPPONENTS: PLAYOFF HISTORY

Four teams with titles fill OC slate

By KEVIN WEAKS
Sports Editor

When looking at Obion Central's opponents, the 10 teams make up an interesting collection of playoff outcomes.

Of that group, seven teams have won more than 10 playoff games in their histories with four owning state championships and four sporting a playoff record above the .500 mark.

Lake County is the winningest team of the bunch with a 56-36 all-time playoff record and three state crowns.

Westview, Dresden and Dyer County each have one state title, but Westview is the only one of that threesome with a winning record at 34-26 in the playoffs. Dresden is 22-24, and Dyer County is 13-20.

Haywood has a 39-22 playoff record and has reached the state championship game four times, while Crockett County is 26-20 with one title game berth. Jackson North Side is 14-24 and has advanced to the semifinals twice.

Three teams have a win total in the single digits, and Craigmont has just one playoff victory in 21 tries.

Fayette-Ware, a new region opponent for the Rebels, has just five playoff wins, and Fulton County has an 8-25 record in the KHSAA state playoffs. The Pilots have lost 15 straight playoff games.

Central's fourth playoff win came last year in a thrilling 42-32 decision over Melrose in Memphis.

With the Rebels' 4-12 playoff record counted in, the 11 teams have an overall playoff mark of 222-250 to go with the six state championships.
