

# Try these one dish meals for quick dinners

It feels like a heat wave after our very cold spell.

Last week was the last week of the year. Where did "2022" go to? When you read this we will be into a new year. I always wonder what the new year will bring.

I have two more orders to fill before the weekend, cookies, cinnamon rolls, and snacks, etc. It has been a good year.

Try these one dish meals for quick dinners.

## Chicken Fajita Pizza

Prepared dough for pizza crust

- 1 T. oil
- ½ lb. chicken strips

- ½ tsp. salt
- 1 c. onion
- 1 c. green peppers
- ½ tsp. garlic powder
- 1 tsp. chili powder
- ½ c. salsa

1 c. mozzarella cheese  
Sauté chicken in oil. Add onions, peppers, chili powder, garlic powder, and salt. Cook until vegetables are tender. Press dough for pizza crust into a 12" pizza pan and prick with a fork. Bake at 425 degrees for 8 minutes. Spoon mixture over dough. Top with salsa and cheese. Bake 14-18 minutes.

## Chicken Hot Dish

- 1 pkg. (26 oz.) frozen shred-

ded hash browns, thawed  
1 pkg. (24 oz.) frozen mixed vegetables  
3 c. cooked chicken, cubed  
1 can condensed cream of mushroom soup, undiluted  
1 can condensed cream of chicken soup, undiluted  
1 c. chicken broth  
¾ c. French-fried onions  
In a greased 9x13 baking

## From My Amish Kitchen

dish, layer the potatoes, vegetables, and chicken. In a bowl, combine soups and broth; pour over the chicken (dish will be full). Cover and bake at 375 degrees for 1 hour. Uncover; sprinkle with onions. Bake 10 minutes longer or until heated through.

## Chicken Tetrazzini

- 3 c. cooked chicken, cut-up

- ½ c. green peppers (diced)
- ¼ c. chopped onion
- ¼ c. chopped pimientos
- 1-4 oz. can sliced mushrooms
- 1 can of cream of mushroom soup

1 can of cream of chicken soup  
1 c. chicken broth  
1 tsp. garlic salt  
2 c. grated cheddar cheese  
½ tsp. salt  
½ tsp. pepper  
1 (8 oz.) thin spaghetti  
Cook spaghetti according to package directions and drain. Mix all ingredients but reserve ½ cup cheese. Bake at 350 degrees for 45 minutes. Top with rest of cheese.

## Beef Stroganoff

1 lb. beef stew meat  
1 small sour cream  
2 cans cream of mushroom soup  
1 can mushrooms  
3 T. ketchup  
1 c. water  
cooked rice  
Blend ketchup and water in skillet and add beef stew meat. Cook on low until tender, seasoning with salt and pepper. Cook about ½ hour slowly. Add

cream of mushroom soup, sour cream, and mushrooms. Cook 20-30 minutes. Serve over cooked rice.

## Bubble Pizza

1½ lb. ground beef  
15 oz. can pizza sauce  
2 tubes (12 oz.) refrigerator buttermilk biscuits  
1½ c. shredded mozzarella cheese  
1 c. shredded cheddar cheese  
In skillet, brown the beef and drain. Stir in pizza sauce. Quarter the biscuits and place in a 9x13x9 inch baking dish. Top with beef mixture. Bake uncovered at 400 degrees for 20-25 minutes. Sprinkle with cheese. Bake 5-10 minutes longer or cheese is melted. Let stand 5-10 minutes before serving.

## Ham and Potato Casserole

6 c. potatoes, diced  
1 c. ham, diced  
1 c. Velveeta cheese, diced  
1 can mushroom soup, undiluted  
Put potatoes, ham, Velveeta cheese, and mushroom soup in a larger covered casserole dish. Bake at 350 degrees until potatoes are tender.

## Agriculture from page 2

advantaged farmers and to create sustainable infrastructure to connect with disadvantaged communities.

### Addressing Climate Change and Leading the Green Economy

- Providing financial assistance for cover crop adoption through the Fall Covers for Spring Savings Program with a minimum of 140,000 acres available in December 2022. To date, over 300,000 acres are enrolled in the program.

- Record apiary growth in Illinois, with over 650 new beekeepers registering in 2022, protecting our pollinators and their positive environmental impact.

- Implemented pesticide-related rules making Illinois one of the most stringent in the nation on the application of the pesticide Dicamba.

- Operated plastic pesticide container-recycling program with over 2 million pounds of plastic collected and properly disposed of unwanted and unused pesticides protecting Illinois' waterways.

- Pritzker Administration secured \$12.9 million in new funding to support the development of 40 new conservation planning positions across the state.

- The IDOA/NRCS partner-

ship leverages \$3.5 million Illinois state Nutrient Loss Reduction Strategy funds with \$9.4 million of federal funds from the USDA/NRCS to deliver over \$12.9 million in new funding to support conservation planning and NLRs staffing and programming.

- Worked with the Indiana Department of Agriculture to be jointly awarded \$7.9 million for a bi-state partnership that brings together Indiana, Illinois, and 43 partners to work to improve the overall health of the iconic Kankakee and Iroquois watersheds.

- Launched a statewide study of Illinois producers and conservation professionals—in partnership with the US Climate Alliance—to increase the understanding of constraints affecting adoption of new farm and land management practices that impact the climate and NLRs goals. Advanced the creation of the Illinois Climate Smart Partnership and the Illinois Climate Smart Institute. These two initiatives are aimed at raising awareness of carbon capturing or limiting release of carbon by generating new educational and training opportunities to advance evidence-based climate-smart agricultural practices throughout Illinois.

### State Fairs & Fairgrounds

- Illinois State Fair saw the highest attended fair since industry attendance calculation were put into effect, beating previous records also set under the Pritzker administration. Overall attendance reached 636,700 and weekend attendance during the fair saw an increase of nearly 95,000 people over 2021.

- Celebrated the 100th anniversary of the DuQuoin State Fair with over 170,100 fairgoers. Recognized the tradition of standardbred horse racing at the fair by injecting an additional \$100,000 into horseracing purses for Illinois bred horses.

- Hosted vaccine clinics on the fairgrounds inside of the Orr Building for much of 2021 with more than 66,000 vaccines given.

- Capital projects on the DuQuoin State Fairgrounds continued, including improvements to the grandstand, main gate, and roads.

- Capital projects on the Illinois State Fairgrounds continued, including improvements to the Multi-Purpose Arena, 8th Street, Reisch Pavilion (Illinois State Fair Foundation), and building and barn roofs.

### Securing the Future of Agriculture

- In the 2022-2023 school

year, FFA dues were waived for every student taking agriculture education classes across Illinois. The \$550,000 appropriation is spearheaded by State Senator Doris Turner.

- FFA is a national organization for young adults interested in leadership and agriculture.

- It has been a priority of the Pritzker Administration to make farming and agriculture more accessible, and these dollars help to diversify the makeup of the FFA organization.

- The elimination of dues makes Illinois a FFA affiliation membership state, ensuring every student enrolled in agricultural education will have FFA membership dues automatically paid, making them a FFA member.

- This increases the number of FFA students in Illinois from 23,000 members to nearly 37,000 members.

### Marketing Illinois Agriculture

- In FY22, \$102,637,471 in actual and projected sales was generated for Illinois agricultural companies as a result of direct buyer/seller introductions at in-person events.

- Other achievements included agreements between the State of Illinois and foreign dignitaries; co-sponsored marketing events via strategic partnerships; buyers missions and tours, directly introducing Illinois agriculture companies to qualified buyers; Illinois Pavilion at trade shows. In-person shows are starting to return since the pandemic, which will allow for increased numbers.

- Hosted Directors of Agriculture from 14 midwestern states in Chicago, highlighting Illinois agriculture and Chicago's vibrant urban farming community.

- Re-launched the "Homegrown by Heroes" branding program, with 32 veterans enrolled to date.

- Nationally ranked #1 in soy production, #2 in corn production, and #4 in pork production, offering world-class genetics to domestic and international partners.

- Nationally ranked #1 in food processing with \$150 billion in sales and employing over 86,000 people.

### Illinois Agriculture on the Global Stage

- Governor Pritzker signed a commitment of \$2.6 billion in soybean and corn purchases by the Taiwanese Government.

- The agreement is the second multi-billion-dollar agricultural deal made between the two countries during the Governor's time in office.

- The letter of intent agrees to the sale of over \$2 billion

of Illinois soybeans and \$600 million of Illinois corn over the next two years.

- The sale follows the 2019 two-year agreement that authorized over \$2.2 billion in crop sales. The sales will take place over 2023 and 2024.

### Accelerating Economic Growth and Creating Jobs

- Cannabis production industry now employs nearly 5,000 people in Illinois.

- Through the Coronavirus Aid, Relief and Economic Security Act (CARES), awarded \$1.2 million to small and mid-sized meat and poultry establishments for capacity expansion and \$3.5 million to livestock producers impacted by pandemic related plant interruptions.

### Improving Health Care Quality and Affordability

- Advanced the Farm Family Resource Initiative (FFRI), allowing for expansion of farmer stress-related mental health initiatives from a 6-county pilot program to a state-wide program connecting farmers with mental health resources and providers.

- Director Costello toured the state of Illinois making stops in Springfield, Edwardsville, Champaign, Peoria, Quad Cities, Kankakee and Carbondale during Mental Health Awareness Month in May to promote FFRI.

### Advancing Public Safety

- Worked with the agricultural community to create an online training course for the handling of anhydrous ammonia, protecting both growers and the public. Over 12,000 growers completed the program to date.

- Ensured farmers markets were considered an essential service throughout the pandemic, providing a safe experience for consumers to purchase of fresh, local products with SNAP food assistance.

- Inspected over 179 meat and poultry establishments in the State ensuring food safety for consumers.

- Veterinary team worked directly with USDA to manage and mitigate avian influenza cases in backyard poultry flocks. No commercial cases in Illinois to date.

- Department led pesticide training program, in collaboration with University of Illinois Extension, pivoted from in-person to on-line format within weeks to provide a seamless means for applicators to receive licensure. This created no gap in services to the agricultural community and now both online and classroom training and testing are available to increase access.
