Real Faith

from page 3

That doesn't come natural to us. We need God's help from the Holy Spirit to do this. This year, ask God for the eyes and

ears that can see Jesus; that can hear Him; and that can know Him. Then, ask God for a heart that will trust Him.

7. Follow the "Law." When all is said and done, Jesus gave us one law we could all live by.

If we so choose. No one could, or can, keep the 10 Commandments of Moses on their own. So, God gave us a new law, the one that supersedes all other laws. His name is Jesus and His law is love. He teaches that all

laws are vanquished by love. If you love God with all you have, and love your neighbor as yourself - then all the other Commandments and laws fall into place. Without that love ... we can do nothing.

Blessings on your journey - see you on the path!
