Ruth & Vaughn Jaenike Access to the Arts Grant Application Process Open Now to January 27, 2023

Thanks to the generosity of Ruth & Vaughn Jaenike, it is time again for art organizations within the East Central Illinois region to apply for the Ruth & Vaughn Jaenike Access to the Arts Grant! The spring application process is open now to January 27, 2023.

Use of the fund is restricted to presentations that are primarily of the visual and/or performing arts, with priority given to programs presented in the East Central Illinois counties of Coles, Douglas, Edgar, Clark, Cumberland, Effingham, Moultrie, and Shelby. Use of the Fund is also restricted to entities of Eastern Illinois University, and non-profit organizations and schools. Grants are not awarded for the purchase of equipment or to individual artists to support the creation of works of art.

Priority for funding will be given to programs which:

- Target general audiences, especially audiences recognized as underserved in terms

of the arts.

- Have a strong educational component to introduce or explain the art form presented.

- Pilot projects or show promise of encouraging follow-up arts activities.

- Make use of Eastern Illinois University resources.

- Capitalize on a unique situation involving a noted artist, troupe, or ensemble.

- Show tangible project support (cash and/or in-kind) from the sponsoring entity and/or the targeted audience or community.

To apply go to www.eiu.edu/doudna and click on the Ruth & Vaughn Jaenike Access to the Arts Fund link at the bottom right of the main page. Then complete and submit the application. The applications will be reviewed after the January 27th deadline and a decision will be made by mid-February. If you have any questions, please do not hesitate to contact us at 217-581-8513 or at dfmalak2@eiu.edu.

mentally appropriate play, music, and art therapy services to children who have become hospitalized due to an illness or injury. They advocate for the child and provide procedural preparation to help reduce the negativity and trauma that comes with hospitalization and traumatic illnesses. Child Life Specialists offer family and sibling support and use child friendly language to educate each individual on the complexities of the healthcare field. After a lot of reflection, I am a firm believer that everything happens for a reason, even if unknown and that today should always be better than yesterday." I think this is a real testament to the journey that Lucas has been on since he was diagnosed in 2008. So pleased for him that he is able to finally achieve that dream of a safari and combine it with what has become his life's work.

SPORTS REPORT

Always lots going on in the way of sports at our schools. The high school girls basketball team is participating in

the Lincoln Prairie Conference this week at Cumberland High School in Toledo. Their first game was Monday night against Okaw Valley. After that I am not sure of the schedule but the tournament does go on all week and our Knights are seeded 2nd. Last week the girls played at LSA in Decatur and at home vs. Villa Grove which was a junior varsity game only which we won. Varsity won at LSA and so did the junior varsity but not before the game went into double overtime!

Tuesday night is chock full with junior high volleyball going up against Argenta-Oreana, junior high boys basketball at Tri-County and high school boys basketball vs. Villa Grove at home.

Thursday night junior high volleyball is at ACS and junior high boys basketball plays Shelbyville at home. Junior high boys basketball also begins regional play at Sullivan on Saturday.

Friday night the high school boys basketball begins their play in the Lincoln Prairie Conference tournament.

GO KNIGHTS!

And that's -30- for filling out those surveys for our kids!
