Villa Grove FFA Shakes Out Hunger

In honor of National FFA week, the Villa Grove FFA has teamed up with local farmers and Steak'N'Shake to promote Hat Day, an annual event where students can wear a hat during the school day. All profits raised from this event go to the Snack Pack program to help provide supplies for those in need.

Again this year, we have asked local farmers to spon-

sor each elementary class, that way all students are able to participate in hat day at no cost to the student. If you would like to make a monetary donation to this valuable program, please send a sealed envelope to school with your child clearly marked "Snack Pack Donation" by Thursday, Feb 23. Each class will be provided with a Steak'N'Shake hat for every student to wear

throughout the day. For every student who wears a hat, FFA will match the farmer donation to the snack pack program.

Last year we raised \$860 for this valuable program. So let's make this year even more successful and help us "Shake Out Hunger" on Thursday, February 23!
