CABOT DONATIONS — Above and left: Cabot Tuscola provided 30 goggles to the Tuscola High School Chemistry Department. These goggles will protect the students' eyes will performing experiments in class. "At Cabot, safety is the foundation in everything we do. We are committed to delivering contributions that make a positive difference in the local community. The donation helps with advancing Cabot's sustainability pillars of Caring for Our People and Communities – Well-Being," the company said. Dylan Walker, Tammy Bennett, and Kim Murphy presented the donation on behalf of Cabot to the chemistry students and instructor Paula Linker.

Below: Cabot Tuscola provided a $150 donation to the Tuscola Science Olympiad. The Tuscola Science Olympiad Team are students in the 9th – 12th grades. The program teaches designing, building, engineering, working as a team, and many other skills sets.

The team participated in the Regional Science Olympiad competition at Parkland College held on March , against many schools in a variety of categories including tests.

The team earned several individual medals. Also, the Team was 1 of 6 in their division to earn one of the highest overall scores in the most events, which allows the team to advance to the Illinois Science Olympiad (ISO) State Tournament at University of Illinois Urbana-Champaign (UIUC) on April 22.

"At Cabot, we are committed to delivering contributions that make a positive difference in the local community. The donation helps with advancing Cabot's sustainability pillars of Building a Better Future Together – Quality Education," the company said. Dylan Walker, Tammy Bennett, and Kim Murphy presented the donation on behalf of Cabot to the Tuscola Science Olympiad Team and Paula Linker, instructor.

ARTHUR HOME & GARDEN EXPO. The 12th annual Home & Garden Expo was held this past Friday and Saturday at the Otto Center where attendees could find everything from cabinetry, furniture, lawn and garden, banking/real estate, heating, home/building construction, equipment, to miscellaneous personal products. Despite the cooler temperatures outside, the inside was filled with a vast array of spring and summer possibilities to build, remodel, repair, or beautify your home. Pictured at left is Arthur First Bank manager/vice president Dawn Boddy and Tim Mooney, assistant vice president, talking with a visitor in regards to their services and registering for door-prize giveaways. Pictured at right is a "She Shed" that was on display at the Expo by Miller's Storage Buildings. The Rainbow Hearts Center served soups, sandwiches, and salads on Friday and Saturday during the day as well as the grilled chicken dinner on Friday evening. Around 950 were in attendance for a benefit breakfast held Saturday morning with the proceeds going to Nita (Kuhns) Curiel for medical expenses. This was the second year event organizer Pinnacle Point Graphics hosted the Expo.
