While you're doing your job, we're doing ours,

and our job is taking the work out of your farm loan. Whether you need new equipment or are considering improvements or an expansion, the professionals at Villa Grove State Bank can help.

We've been making loans to area farmers for over 100 years and know the challenges of today's farming operations. That's why we offer competitive rates, financing options, and convenient, personal service. For more information, contact Scott Beccue or Brad Beccue.

While you tend to the land, you can count on Villa Grove State Bank to tend to the details.
