top spot. Congratulations to Coach Bracken and all of our students.

**JH Spring Concert:** AGS 6th-8th Grade Band/Chorus students will present their SPRING CONCERT in the ALAH OLD GYM on Tuesday, May 16 at 7:00 p.m. The Concert is free and open to the public.

**8th Grade Promotion:** The 8th-grade graduation is scheduled for May 25 at 7 pm at the ALAH football field.

**Field Trip Season:** This month and the upcoming weeks have been very busy for students at AGS in terms of field trips. Last week, our 4th-grade students went to the Engineering Open House at the University of Illinois. In the coming weeks, our Kindergarten students throughout the district will go to the Children's Museum and Scovill Zoo. Our 1st-grade students will be visiting the Staerckel Planetarium at Parkland College and our 3rd-grade students will also be attending the Children's Museum in Decatur to work on different STEM activities. Students and staff are excited to continue their learning outside of the building and hope for good weather.

**Kindergarten Readiness Night:** Arthur Grade School is excited to welcome our incoming kindergarten students to plan for the start of our next school year on April 27th from 6 to 7 pm. Students will be given materials to help prepare for the summer; meet their teacher and explore their class-

room. We are looking forward to seeing all sorts of new and exciting faces.

**Atwood-Hammond Grade School Principal's Report PTO Family Fun Night:** On Friday, March 10 AHGS hosted a Family Fun night again this year, after a few years off due to COVID. The event was a smashing success, just like our school sponsored Financial Family Night. The crowds have really shown up this year and supported our school! One of the highlights was the "Kiss the Goat" contest. Parents and students gave money for their favorite staff member to kiss the goat. That evening we raised over 250 dollars alone for this one booth. The race finally came down to Mr. Jefferson and Mrs. Fleming. They had both raised over 100 dollars each, so both of them agreed to kiss the goat. The crowd went wild!

**AHGS Scholastic Bowl:** Also, after several years off, AHGS fielded a scholastic bowl team. We had both a varsity and junior varsity team this year. The point system is totalled up for scholastic bowl throughout the season and there are no clear winners each contest, as point totals change depending on the opponent. The totals are used to determine the "seeds" for the tournament. Our varsity placed in the 6th seed for the tournament in Bement, held on March 30, out of 13 teams. They were beaten in the first round by Arthur Grade School, who went on to win it all. I was very proud of our team and how well they did throughout their first season back in the game!

**Atwood Community Easter Egg Hunt:** The Atwood Community Easter Egg hunt was held inside the school again this year. We had a good turnout, though the weather was cold and windy outside. I was happy to assist and meet and greet families and students, even on a Saturday. I even got to meet the Easter Bunny. It was good to see many families at the event, even ones that do not have students in our school.

**American Heart Association (Jump Rope for Heart) Kick-off at AHGS:** Amy Ensign from the American Heart Association came to speak with our primary and intermediate students last week about how to keep your heart healthy and all of the ways that students and adults can stay active and healthy.

**Lovington Grade School Principal's Report**

1. There were some leprechaun shenanigans going on in our PreK room. The students had built traps but they were not able to catch a single leprechaun! They did follow leprechaun footprints throughout the school

2. Atwood Hammond and LGS 8th graders traveled to Lake Land college for their Career day expo. The students were encouraged to align themselves with those who make good choices, and that their name is their brand and the importance of good decision making now as it affects their future.

3. Our 4th graders traveled to the University of Illinois for an Engineering Open House! They had so much fun and even learned some things!

4. Student council sponsored another Jr high dance on the April 14. DJ Davis dropped the tunes for a fun night of memory making!

5. OG training for teachers from all three elementary schools were able to attend this reading training. So far we

have had 6 teachers go and next week we have 5 more going. This will be a great addition to our reading instruction and intervention time! Shout out to Andrew who organized it all!

6. New banners- Mr. Seal did a great job of getting banners printed for the Lovington gym!

Bill and Justin got them hung up and they look amazing!

7. Rochelle Lutteral has been selected to be a part of the ISBE Literacy Plan Writing Team. This means she will have a voice and be an integral part of the state literacy plan! We are super proud of her!
