You may struggle to get going this week, Aries. But once you do, it will be full speed ahead. In fact, you may need to slow things down to let others catch up.

TAURUS – Apr 21/May 21

Taurus, if you are feeling a bit scattered as of late, take some time out of your schedule to meditate and reflect on what is most important to you. Then follow that path.

GEMINI – May 22/Jun 21

Gemini, give yourself permission to move slowly this week. If you racing through things, you’re apt to make mistakes. Set your own pace and let things play out as they may.

CANCER – Jun 22/Jul 22

Deadlines could make for a heated week, Cancer. It’s best to remove yourself from any situations before they get out of hand. Offer advice when things cool down.

Routines are boring you lately, Leo. You may need to shake things up. If you work a set schedule, see if you can go to flex time and look for ways to change.

Do not let drama that doesn’t involve you sneak into your orbit, Virgo. If you need to distance yourself from others for a while, then do so.

LIBRA – Sept 23/Oct 23

Things may be a little rough around the edges lately, and you’ll need to figure out the ways to smooth things over, Sagittarius. Find a few friends who are in your corner.

CAPRICORN – Dec 22/Jan 20

Capricorn, emphasize a slow and methodical approach to a problem with an elusive solution. Slowing things down has a tendency to provide substantial clarity.

AQUARIUS – Jan 21/Feb 18

Disagreements on how to move forward could bring tension at home or work this week, Aquarius. Everyone needs to put their ideas on the table and whittle down the best answer.

PISCES – Feb 19/Mar 20
