

NEW AIR CONDITIONING BEING INSTALLED. Davis Houk Mechanical is the company leading the project both at Arthur Grade School (pictured) and Lovington Grade School. They are adding A/C to AGS, and at LGS they are replacing a boiler, installing A/C in the gym and replacing some other A/C units. The total cost of the project is roughly 1.2 million dollars.

Arthur Woman's Club Rat Race Information

Arthur Woman's Club Rat Race will be held during the Arthur Cheese Festival this Labor Day weekend. Please come out and join us for the fun!

The race will be held on Monday, September 4 at 7:30 a.m. There is a 10K course as well as a 5K course.

The race will be timed, and medals given to the 1st, 2nd, and 3rd place male and female participants in each age category.

The top male and female finisher for each race (first to finish the course) will be awarded a plaque as well as a monetary gift.

We are accepting donations to sponsor the race. If you would like to donate, please reach out to a Woman's Club member or Stephanie Borntreger at 217-254-3647.

Registration can be done online, on a paper form, or the day of the event. Please go to arthurcheesefestival.com to get a form or submit an online registration.

There is no one mile fun run and the cheese chaser race is not scheduled this year.

Thank you to all of our past and present sponsors and race participants, as this is our biggest fundraiser for the Woman's Club. We can't do it without YOU!
