

From The Superintendent's Desk

Hello and welcome to all past, present, and future Knights to a new school year! I couldn't be more excited to start my fifth year as your Superintendent. I continue to be grateful for all the opportunities that I've been provided, and serving as the Superintendent of this district is certainly one of them. I continue to be proud to call myself a Knight!

The summer has been filled with a ton of projects and the custodial staff has navigated those challenges still preparing the buildings for a return to school. They have had to adjust their cleaning schedules and be flexible throughout the Summer months. When you run into them at your respective building(s) be sure to thank them as they take a lot of pride in their work. They are all rockstars and we appreciate them and the work they do on a daily basis.

Some of the projects we have tackled this Summer include air-conditioning at Arthur Grade School, various HVAC projects at Lovington Grade School, a new track at the high school and parking lot improvements throughout the district. Like I said, it's been a very busy Summer, but we are proud of the progress we have made.

As we begin another school year I would like to invite you to visit our website at www.cusd305.org. We communicate a lot via Twitter, and Facebook and these accounts can be accessed through the website at the bottom of each school's account. If you visit the district website, scroll to the bottom of the homepage you will see the symbols for Twitter and Facebook. We would invite you to follow us as they are another avenue to utilize for information, updates and exciting news throughout the school year.

Finally, as we gear up for this new school year, we are asking for your patience and support. Every school year brings with it a set of challenges and obstacles that we all must work through together and this school year will be the same. I have no doubt that if we stick together, trust in each other, and respectfully communicate our challenges when they arise, we will be able to conquer any of the obstacles that we face. Please feel free to reach out with questions or just to say hello! Thank you for taking the time to read this letter, and I hope you enjoy what is left of the summer.

Sincerely,
Shannon Cheek
Superintendent

Arthur CUSD 305 Personnel
