

# Arcola Kiddie Tractor Pull

Children ages 3 to 12 will compete for trophies and points in the Arcola Kiddie Tractor Pull Circuit Sunday at the Arthur Amish Country Cheese Festival.

The free event begins at 1:30 p.m. on East Illinois Street. Registration starts at 12:30 p.m..

Children compete in one of five age groups: 3-year-olds, 4-year-olds, 5- to 6-year-olds, 7- to 8-year-olds, 9- to 10-year-olds, and 11- to 12-year-olds.

Age cutoff date is March 18. A child who turned 13 years old before March 18 is too old to compete in the event.

Children remain in the same age group throughout the pulling season.

Each child has the opportunity to pedal a modified tractor a maximum distance of 50 feet while pulling a transfer sled loaded with weights.

All participants receive a ribbon for competing. Trophies are awarded to the first-, second-, and third-place finishers in each age group.
