Arcola sweeps Casey-Westfield in volleyball

By Mike Monahan

ARCOLA – After losing to Judah Christian in the home no-conference volleyball opener 25-5, 25-16 on Aug. 22 the Lady Riders swept Casey-Westfield 25-19, 25-19 on Aug. 24 in matches played at the air conditioned gym due to the extreme heat.

“They were able to fight back when we were down a few points and that was one thing that we sometimes have trouble with,” said Arcola coach Katy Whisman. “When other teams, even if they start not playing well, sometimes we start falling back. You have to put your foot on the gas and run them over because you have to keep going. Whenever they are starting to come back just keep the composure and keep pushing and they did that really well tonight. I am proud of them.”

In the first set there were 10 ties and Casey, coached by 1999 Martinsville grad and former Lake Land College coach Jessica Daugherty, who was an all-region 24 and all-tournament team plate for

the Lady Lakers in her one year of playing there. She finished her playing career at Southeast Missouri State, where she earned all-Ohio Valley Conference and All-OVC tournament

honors her junior and senior year. She led Lake Land to a 32-11 season her first year of coaching in 2005, earning Region 24 Coach of the Year honors and earned the same honor in 2007 and 2008. She also coached at Martinsville recently.

Arcola trailed 16-13 after the Lady Warriors earned the serve on a kill by Megan Cribelar, who then served for a point and equaled their largest lead of the set (12-9 was the other three-point lead).

The Lady Rider scored 12 of the last 15 points for the win.

Casey took its last lead, 19-18 on a service error by Arcola. The Lady Riders tied it at 19 with a kill by Kacie Sisk. Arco-

la sophomore Kiera Leal then served the final six points for the win.

“It was kind of nerve-wracking, but I knew that we would pull through,” said Leal, who was wearing some bright tennis shoes, the mellow point two, which has one shoe yellow and one shoe green with the shoelaces being purple and pink. “The first win feels good because the first game was kind of rough. It felt good to bounce back.”

The second set had six ties with neither team leading by more than three (10-7) until the Lady Riders scored six of the final seven points for the victory.

“We did better with our

passing than against Judah and that helped,” said Whisman.

Casey never led in the set, but were always close. Arcola took the three-point lead on an ace by Ava Simpson. The Lady Warriors made it a one-point game after two kills by Cribelar. Arcola led 18-17 after a Lady Rider service error. Cribelar tied the contest at 18 with a kill off a serve by Katelyn McKinney. Arcola took a 23-18 lead with Kelsey Moore serving four unanswered points, including an ace. After a point by Casey, Arcola finished off the set and match on Hawaiian Night for the high school students.

“It helps when the crowd's energy is up,” said Lira, a left side player, “It brings our energy up. They are helpful.”

Sisk led the team in kills with six and in blocks with two against Casey, while Kelsey Moore had a team-high 13 digs and Ava Simpson had 12 assists.

Against Judah Christian Ema Simpson was tops in digs with 10, while Sisk had seven

kills and Ava Simpson had seven assists.

Arcola, 1-1, played at Neoga Tuesday and will host Tuscola on Labor Day.
