Proposed Broom Palace

### Broom Palace proposed for downtown Arcola

In an effort led by Arcola's Pat Monahan, one of the founders of the World Famous Lawn Rangers of Arcola, a Broom Palace has been proposed to be built downtown on the former Metropolitan Block. It is modeled after a broom corn palace built for the annual festival in 1898. The proposed building would be the same size as the original palace at 45 feet by 45 feet and 32 feet tall. He said Libman Company has committed to placing an outlet store in the building.
