a year ago Kate Foltz. The second year runner earned all state honors in both the spring and the fall. She garnered all state accolades in October finishing in the top ten at the state meet and again in May placing 2nd in the 3200-meter run setting a personal best and a school record traveling the 2-miles in 10-minutes and 53-seconds. She was a near miss in the 1600 ending up in 10th overall.

"We had a great summer," coach Sterkel said. "It was designed to get a base line while also focusing on the other aspects of running that are crucial to their success, such as nutrition and sleep. Kate is determined to repeat as an all-stater and her dedication is evident, she has been amazing during practice and understands how little details make a big difference."

Bell Dueker is new to cross-country but has put in a lot of miles and is very coachable. She really ramped up her mileage at the end of summer. It will be fun to see what she and the other girls can do. Bella Dueker is new to Cross Country but has been extremely coachable. She has started to ramp up her mileage towards the end of summer.
