

# This Golden Potato Is Really Hot!

## Clue 1 Golden Potato 2024

Finding the first clue will be a treat.

I twist and I turn, but I'm not always upside down.

**Good Luck Scavengers!**

What festival would be complete without a treasure hunt, in this case a hunt for the Golden Potato. Once again, this year the Golden Potato will be hidden somewhere within the Barnesville city limits. Whoever retrieves the potato and brings it to the Information booth will win a prize. The Golden Potato will not be placed in its hiding spot until one of the last clues have been posted.

### CONTEST RULES

The object is to find the hidden potato by carefully reading the clues provided at various events. Beginning bright and early at 7:00 a.m. on Saturday morning, clues will be posted at various festival sites and one hour in the next location.

All ages are encouraged to read each of the clues and determine the location of the hidden golden potato.
