

Down The Hatch - As Fast As You Can!

Calling all potato eating lovers to the Mashed Potato Eating Contest! Your goal, if you should choose to accept it, is to see how fast you can eat one bowl of taters. There is no entry fee and sign-up will be done right before the event. Only 10 contestants can compete in each category.

A prize is given to the winner of each category. The contest is at 6:00 p.m. Saturday on the Main Stage. This may be one of those contests you won't have to practice to be ready to go.

Mashed Potato Eating Contest is sponsored by the Purple Goose.
