

Just In Case, Rain Locations Planned

Though we haven't had to use any alternative locations for our events, the Potato Days Board has made sure that most of the festival events will continue if rain should occur.

One can check at the Souviner Shop, located at the four-way stop, to find out weather conditions.

Any event that can be relocated indoors will be and any event that can be moved back outside after rain will be.

Check with the Souviner Shop, for any questions about any events.
