

# Kiddie Parade Makes It Fun For All Ages

It's already implied by the title, but this is a miniature parade focused on the kids. Anyone is welcome to participate, and parents can certainly accompany their little ones throughout the route.

Make it your own by dressing up in costumes, painting faces, wearing goofy hairstyles, etc.

There are no requirements or specifications. Participants also have the option of using or even decorating strollers, wagons,

trikes, pedal cars, and things of that nature.

The Kiddie Parade take place on Friday morning at 10:00 a.m. The Kiddie Parade route starts at the library parking lot, goes down Front Street, and ends at The Old Depot. The children will be given a treat at this time. All children should be picked up by their parents at this location.

Kiddie parade is sponsored by Midwest Bank.
