

Potato Car Racing Continues In Popularity!

Calling all Potato Race Car children ages 5 - 11! Come early, claim your spud and build your race car.

The activity will take place just south of Midwest Bank with all Potato Cars ready to race at 6:30 p.m.

Spud Race Cars are always popular every year as this is a great mix of art and sports.

There is no fee to enter, and all the stuff needed to create an award winning race car is supplied.

Prizes will be awarded in several different age categories.

No pre-registration is required, but remember to come earlier than 6:30 p.m. to sign up and build your race car.

SPUD JOKE

How do you know if a potato has been through a lot?

Answer:
He'll probably have a chip on his shoulder.

SPUD FACT

Potato has more Vitamin C than orange, more potassium than a banana and more fiber than apple.
