music. Dancers are introduced to jazz, kick, and hip hop in third through fifth grades.

Dancers in grades 6-12 also have the opportunity to try out for Suz Dance Competition Teams. Suz Studio has three teams: The Elite, the Starz, and the Starletz. Dancers on these teams have additional practice times and performance experience by competing at area dance invitationals in Hip Hop, Jazz, and Kick. Competition dancers also learn the importance of fundraising, responsibility, camaraderie and commitment

to the other members on their team.

Dancers not only learn routines for performances, but they learn technical skills and gain self-confidence that shows both on and off the stage. Suz Dance Studio provides a positive learning atmosphere and is an excellent form of exercise that's fun and creative.

The dancers are ages pre-kindergarten to grade eight. Performances are practiced all week with their final performance at Potato Days.

The routines the dancers learn

at camp will also be performed at the first home Trojans football game of the season.
