

ABAC Recognizes Students for Fall Term Academic Excellence

TIFTON—Students who achieved academic excellence in their course work during the fall semester were recently recognized at Abraham Baldwin Agricultural College. ABAC cites its top academic students each semester on the President’s Honor List, the Dean’s Honor List, and the Distinguished Achievement List.

The President’s Honor List is the highest academic

honor possible for ABAC students. ABAC President Tracy Brundage said each student on the list attained an “A” in every subject, resulting in a perfect 4.0 grade point average. The students had to carry a minimum of 12 hours of academic work.

Dr. Amy Willis, Interim Provost and Vice President for Academic and Student Affairs, said the students who qualified for the Dean’s Honor List attained a minimum

grade point average of 3.5 on a 4.0 scale and carried at least 12 hours of academic work. The Distinguished Achievement List is composed of students who complete between six and 11 hours of academic work with a grade point average of 3.5 or higher. The purpose of this list is to recognize excellence and scholastic achievement among part-time students.
