Lakeland Fire Department Report

A message from Congressman Austin Scott

The Federal Trade Commission (FTC) is working to raise awareness about scammers pretending to be government officials to get your information. As a reminder, government agencies will never call, email, or text you and ask for money or personal information.

If you are a victim of a scam, you can report it to the FTC at reportfraud.ftc.gov.

You can also report Social Security-related scams at ssa.gov/scam.

As always, my staff and I are here to help. If you need assistance with a federal agency or have comments or concerns to share with me, please do not hesitate to call my Warner Robins, Tifton, or Washington, D.C. offices.

Sincerely,

Austin Scott
Member of Congress

Celebrating the Delivery of the Super Hercules to the GA Air National Guard

I had the honor of celebrating the delivery of the C-130J-30 Super Hercules to the Georgia Air National Guard at Lockheed Martin's facility in Marietta last week!

The Georgia National Guard has a long legacy of great leaders, and this fine aircraft will serve our Air National Guard well while they serve our great nation.

It doesn't get better than Georgia built and Georgia flown!

Strengthening Protections for Our Farms

Protecting our farmers from cybersecurity threats is critical to our national security and food supply. I joined colleagues as an original cosponsor of H.R. 7062, the Farm and Food Cybersecurity Act, to enhance security measures and prevent potential cyber-attacks and supply disruptions.

This bipartisan legislation strengthens cybersecurity protections within the food and agriculture critical infrastructure sector by identifying vulnerabilities and improves the protective measures of government and private entities against devastating cyber threats on America's food supply chain.
