A message from Congressman Austin Scott

The right to bear arms is the constitutional right of every American, but each year, the National Instant Criminal Background Check System (NICS) denies thousands of law-abiding citizens their right due to clerical errors in their system's record.

That's why I cosponsored the Firearm Due Process Protection Act, which gives Americans the ability to seek a court judgment to correct invalid information if the FBI does not act on an appeal within the two-month deadline.

This will help ensure that law-abiding Americans who were improperly denied the ability to legally purchase a firearm because of administrative errors made during a background check have a path back to their Second Amendment right.

As always, my staff and I are here to help. If you need assistance with a federal agency or have comments or concerns to share with me, please do not hesitate to call my Warner Robins, Tifton, or Washington, D.C. offices.

Sincerely,

Austin Scott
Member of Congress

Visiting Zebulon Park Health and Rehabilitation Center

I visited the Zebulon Park Health and Rehabilitation Center and met with their excellent staff. I enjoyed learning more about Zebulon Park's mission to provide a variety of therapies and rehabilitation services to its patients and the Macon community.

Attending the Cotton Partners Annual Meeting

I recently went to South Georgia Gin in Hazlehurst for the Cotton Partners Annual Meeting. Georgia's cotton farmers contribute over \$1.3 billion to our state's economy annually. It is always great to hear directly from our farmers about what support they need from Congress to help them continue to produce the fiber we depend on.
