♦ Lunchbox tip: Assemble your sandwich the night before (without veggies). Wrap in waxed paper and freeze. Add veggies and a condiment packet in a separate bag. Your sandwich will thaw by lunchtime and will stay cold!

♦ "Plant banana skins in your garden, just below the surface. They rot quickly and provide nutrients for growing plants."

- A.R. in Ohio

♦ "My girls get a little crazy with clothes shopping - they want everything! Before we go, we pull out all the clothes they have and assess their needs. We keep a count of shirts, skirts, shorts and pants, so we don't overbuy and have too many. They also make outfits out of what they have, so we can see if anything needs to be bought for that purpose. And undergarments and socks are replenished first, so they get included in the budget!"

- S.S. in South Carolina

♦ "Always keep two needles threaded, one with black and one with white. When you have a rip, a button comes off or a hem comes out of your clothes, and you are in a hurry, you can use one of these for a quick repair." - J.R. in Virginia
