

SENIOR SURVEYS

Genesis Brooks plans to attend the University of Tennessee at Martin and continue studying cosmetology after graduation. At Humboldt High School, Brooks enjoyed cosmetology class and named Mrs. Cox as her favorite teacher. Senior prank day stood out as a favorite memory, while her greatest lesson learned was that "somebody is always watching." Brooks encouraged younger students to "be great" and work toward becoming successful in the future.

Drevon Bryson plans to pursue a technical career after graduation. Bryson listed P.E. as his favorite activity and named Coach Al and Coach Ingram as favorite teachers. His most important lesson learned at HHS was to "stay out of drama." Bryson wished future students success in reaching their goals.

Shalyric Bufford plans to work during the summer and save money before attending college. Bufford enjoyed participating in Coach Ingram's class and said Pre-Calculus was her favorite subject because of the support and encouragement provided by Ms. Willis. Favorite memories included sharing laughs and making videos with friends during class. Bufford said the greatest lesson learned at HHS was recognizing that not everyone is truly a friend and encouraged younger students to believe in themselves, create memories, and make the most of every opportunity.

Quintasia Campbell plans to enter the workforce after graduation. Campbell enjoyed participating in FFA and listed Carla Brown as her favorite teacher. Her favorite class was floral design because it helped develop creativity and learning skills. Campbell's favorite memory was attending the state convention with the FFA chapter. Her greatest lesson learned was how to become more independent and open-minded, while encouraging future students to stay respectful, avoid trouble, and make wise decisions.

Alicia Clark plans to attend college after graduation. Clark said her favorite activities included spending time with Ms. Libby. Favorite classes included art, English, and creative writing because they felt welcoming

and enjoyable. Clark said her greatest lesson learned at HHS was to remain true to oneself and encouraged future students to stay happy and thrive.

Robert Clemmer plans to join the Army after graduation. Clemmer enjoyed welding and named Randy Prince as his favorite teacher. Welding was also listed as his favorite class because it teaches a valuable trade skill. Prom was identified as a favorite memory, while his greatest lesson learned was that time passes quickly. Clemmons encouraged younger students to keep going and stay motivated.

Keshun Cole plans to attend trade school after graduation. Cole's favorite activity was football, and favorite classes included web design because it was enjoyable and manageable. Cole said his greatest lesson learned at HHS was how to complete work effectively and encouraged younger students to stay focused and finish their work on time.

Rah'Mya Gray plans to attend college and earn an associate degree in nursing with the goal of becoming a travel nurse. Gray enjoyed cosmetology and credited the class with helping her bring out a more creative side. Her greatest lesson learned was to avoid procrastination. Gray encouraged future students to enjoy every moment of high school.

Samirah Hall plans to attend college and major in nursing after graduation. Hall enjoyed homecoming and named Ms. Webb as a favorite teacher. Mathematical reasoning was her favorite class because students were able to work at their own pace. Hall's favorite memory was cheerleading, and her greatest lesson learned was to never give up because hard work is worthwhile in the end. Hall encouraged younger students to embrace resilience and pursue their passions.

Adriana Halliburton plans to attend Tennessee College of Applied Technology to study IT and cybersecurity, with career goals of becoming a cloud security engineer or cybersecurity architect. Halliburton enjoyed having free time during school and named Ms. Trout as a favorite teacher. Her favorite

classes included beginning Spanish and creative writing. Favorite memories centered on spending time with friends at lunch. Halliburton said the greatest lesson learned was that it is okay not to have everything figured out immediately after high school and encouraged future students not to put too much pressure on themselves.

Andrew Hawkins plans to join the military after graduation. Hawkins named Randy Prince as a favorite teacher and said Principles of Machining II was his favorite class because it taught valuable life skills and observation techniques. Hawkins said his greatest lesson learned was personal responsibility and encouraged future students to believe in themselves.

Darin Hawkins Jr. listed math as a favorite activity and named Ms. Webb as a favorite teacher and class. His favorite memory was earning a forklift license. Hawkins said his greatest lesson learned was to avoid getting into trouble at school and wished the best for future students.

David Jeter plans to attend UT Martin after graduation. Jeter's favorite activity was football, and favorite teachers included Mr. Prince and Coach Butler. His favorite classes included mathematical reasoning and machine shop because they combined academics with practical work skills. Jeter's favorite memory was making the football playoffs, while his greatest lesson learned was not being afraid to fail. Jeter encouraged younger students to continue making Humboldt great.

Charles McKnight plans to attend TCAT and pursue heavy-duty material operating work with the National Guard. McKnight enjoyed gym class and listed Ms. Webb as a favorite teacher. Art was his favorite class because it was both enjoyable and a personal strength. Favorite memories included spending time with friends, and his greatest lesson learned was the importance of teamwork. McKnight encouraged future students to work hard and never give up.

Nathaniel Mullins listed shop class as both
