

# SENIOR SURVEYS

a favorite activity and favorite class because of its interesting hands-on work. Mullins named Randy Prince as his favorite teacher and recalled welding as his favorite memory. His greatest lesson learned at HHS was the importance of attending class and doing schoolwork. Mullins encouraged younger students to continue pushing forward.

**Ryley Nilsson** plans to attend TCAT after graduation. Nilsson named Randy Prince as his favorite teacher and listed construction as a favorite class. Nilsson said his greatest lesson learned was to make smart decisions and encouraged future students to do the same.

**De'Anthony Norman** plans to attend TCAT and pursue a career as a mechanical engineer. Norman enjoyed gym class and named Coach Hayden as his favorite teacher. English IV with Ms. Webb was his favorite class because of

her teaching style. His favorite memory was meeting his close friend Charles. Norman said the greatest lesson he learned was that mistakes can be overcome and encouraged younger students to live positively and avoid negative influences.

**Rico Oldham** plans to attend trade or HVAC school after graduation. Oldham enjoyed shop class and named Randy Prince as his favorite teacher. Welding was his favorite class because it provided hands-on skills and prepared students for future careers. Favorite memories included attending gym classes and earning industry certifications. Oldham said the greatest lesson he learned was being careful about friendships and surrounding oneself with positive people. Oldham encouraged future students to stay humble and accountable for their actions.

**Jamarion Owens** plans to attend APSU to study electrical engineering. Owens enjoyed senior walk and named Ms. Willis and Ms. Webb as his favorite teachers. Mobile learning was his favorite class because it was enjoyable and interactive. His favorite memory was participating in eighth-grade field day. Owens said his greatest lesson learned was to "walk by faith, not by sight" and encouraged future students to stay safe.

**Sha'nara Pledge** plans to become a CNA and work while attending school part-time. Pledge enjoyed pep rallies and named Ms. Webb as a favorite teacher. English class was her favorite because of Ms. Webb's supportive attitude. Attending the senior brunch was listed as a favorite memory. Pledge said her greatest lesson learned was the importance of completing work on time and encouraged younger students to avoid trouble and carefully
