

Future First Graders

Kindergarten is an exciting year for many students. They get to ride the big yellow school bus. They make all sorts of art projects and they begin to read and write things that are understandable. These young students learn so many things in their first year of school. They leave kindergarten feeling a little bigger than when they started, and they have learned there is a great big world out there for them to discover.

We asked our Kindergarten a series of questions regarding their future plans and favorite parts of being in school. They had some great answers. Congratulations to all our 2026 kindergarten graduates. May you go far in life.

Students were asked the following questions:

What do I want to be when I grow up and why?
If you were a Superhero what would you want your superpower to be?

When I grow up I want to become a veterinarian to help animals. If I were a Super Hero, I would want my super power to allow me to fly.

GRADUATE ...

to a style of banking that fits YOU!

SRFCU offers programs tailored for young adults who are just getting started. Whether it's opening a checking account, purchasing a first vehicle, or building credit, let us help you take the next step with confidence.

FIRST-TIME AUTO BUYER'S PROGRAM
By focusing on employment stability rather than credit history, we help members build financial confidence and credit for the future.

CREDIT BUILDING
If you're looking to establish credit for the first time or improve your current credit standing, an SRFCU Credit Builder Loan can help you take that important next step.

FREE & EASY CHECKING
When we say free and easy, we mean it. Simplify your checking with an account that includes everything you need — and none of the fees.

NO HASSLE SAVINGS
This account allows you to earn dividends while keeping funds within reach. Online and mobile access makes it easy to monitor and manage routine activity without needing to visit a branch.
