

**AJHS FFA at FFA Equine Camp at Cherry Grove Beach.**

February 23-27. The week's activities will include dress up days each day of the week, providing breakfast for the teachers, attending Legislator Appreciation Day at the State House, and ending the week with

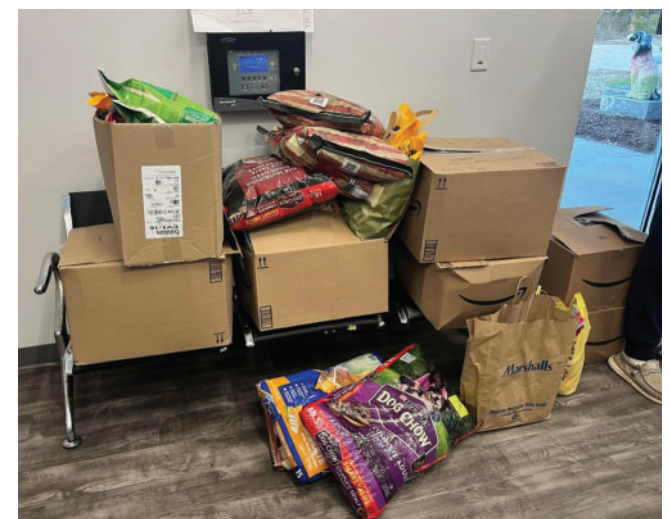

a cookout, trash pickup around the school, and fun games. FFA officers and members will be volunteering at the annual Lancaster County Cattleman's Association fundraiser on February 28, as a part of National FFA

Week and as a part of AJHS FFA commitment to the community in service.

The FFA will be participating in the Region 3 Tool Identification and Creed Speaking contest, State Dairy Judging and handling contest, Horse Evaluation Contest, Forestry Contest, Poultry Judging, and Agriculture Mechanics contest all before the end of the school year. FFA members

will be traveling to Greenville in June to participate in the State FFA Convention and participate in the Farm Business Management contest. The AJHS FFA Chapter will end the school year with a celebratory FFA banquet honoring and awarding FFA member accomplishments and installing a new group of FFA Officers for the 2026-2027 school year.

FFA officers, also, have been assisting with the newly created Lancaster County Agriculture Society adult education classes that are being held monthly at the Lancaster County library in Lancaster. Classes are being offered each month through the agriculture society and the Lancaster Soil and Water Conservation district. Classes, such as container gardening, bee keeping, canning, and other topics, are being offered to the community with little to no costs with many classes filling up quickly through a Facebook generated sign-up.

**Animal food and supplies donated by the AJHS FFA to the Lancaster Animal Shelter.**

**Special thanks to Ashli Young, Agricultural Education Teacher at Andrew Jackson for sending in information and photos.**
