Sponsored by the Kershaw Community Park Council (KCPC) and the Town of Kershaw, the students are learning and enjoying all things nature and benefitting from fitness activities in Stevens Park. Teachers are Ms. Kim Threatt and Ms. Donia Turk. Presenters have been Lauren Kirby from the Katawba Valley Land Trust (KVLT) who taught and demonstrated ecosystems, animal habitats and natural indigenous plant life: the Lancaster County Sheriff Deputies showing how their K9 dogs work, and others brought and taught about animals and birds
