The City of Mustang, Oklahoma (the "City") is soliciting Statements of Qualifications (SOQs) from qualified engineering and planning firms to assist with the development of a comprehensive City of Mustang Safety Action Plan (SAP) consistent with the requirements of the U.S. Department of Transportation's Safe Streets and Roads for All (SS4A) discretionary grant program. The Safety Action Plan will identify strategies, policies, and projects intended to reduce serious injuries and fatalities on Mustang roadways and improve safety for all users, including motorists, pedestrians, bicyclists, transit users, and freight operators, in alignment with the SS4A program's goal of eliminating roadway fatalities and serious injuries.

The selected firm shall develop an SS4A-compliant Safety Action Plan that is practical, data-driven, and implementation-focused. The Plan shall include prioritized safety projects, cost considerations, and documentation suitable for reuse in future SS4A Implementation Grant applications.

Firms shall submit a Statement of Qualifications including firm information, relevant SS4A or safety planning experience, project team qualifications, technical approach, and references. Interested firms will be evaluated and may be shortlisted and interviewed via phone or Microsoft Teams.

Evaluation will consider SS4A-related experience, implementation readiness, team qualifications, technical approach, familiarity with SS4A requirements, public engagement experience, and past performance.

Submissions must be sealed and marked **"Mustang Safety Action Plan"** with the name and address of the firm in the upper left-hand corner of the envelope and mailed or delivered to the attention of Tammi Noblitt, City Clerk, City of Mustang, 1501 N. Mustang Road, Mustang, Oklahoma 73064.
