Rooted in Agriculture. Growing with You.

A farm is more than land, crops, and livestock. It's a community's heritage and future. That's why we are here to help you and your farm grow.

Expanding operations? Upgrading equipment? Investing in livestock? Eddie Sykes offers local ag lending experience and financing solutions tailored to your goals. With quick decisions made locally, we're here when you need us.

Bank with a partner who shares your passion for growth.
Let's talk.
