Carter Lyday
Ross Powers
Jack Roberts
Alexander Sandefur
Jacob Shultz
Camden Toler
Abigail Ward

The "Starfish Story" is a famous motivational story about a person throwing a stranded starfish back into the ocean, explaining that making a difference to even one matters. This award is based on this story. Each staff member (teachers, classroom assistants, custodians, cafeteria staff, coaches, etc.) can nominate a graduating senior for making a difference in their lives while they have been a student at HCHS.
