

Meet the 2026 SSHS graduates

(Continued from page 2)

Caidence Crane is the daughter of Jill Crane of Rockport and the late Clint Crane. She has been a member of the girls varsity basketball team and Natural Helpers for four years, Beta Club for three, Key Club for two, and prom committee and Freshman Mentors for one. Crane also served as a leader and member of Fellowship of Christian Athletes throughout high school, and participated in the Riley's Dance Marathon for two years, leading the group for one year. She also served as Vice President of Student Council for one year, and was a member for four. In addition, Crane served as captain of the varsity basketball team, earned Student of the Month freshman year, and the 3.5 or higher GPA Award all four years. After graduation, she plans to attend Ivy Tech to major in nursing and later become a neonatal/pediatric flight nurse.

Lexi Demastus is the daughter of Jimmy and Rebecca Demastus of Rockport. She played volleyball and golf for two years and was a Spirit Club member for four. Her accomplishments include earning Student of

the Month as a junior, Athlete of the Week, and making PAC All-Conference as well as placing third in golf sectionals as a senior. Demastus is excited to continue her education at Oakland City University, where she will pursue a degree in business. She will also be playing collegiate golf. After earning her degree, Demastus plans to enter the real estate industry, where she hope to build a successful career.

Kayla Denham is the daughter of Tammy and Robert Denham of Rockport. She participated in band throughout high school and is a member of the National Society of High School Scholars. Denham plans to attend the University of Arkansas at Monticello to major in biology and biochemistry.

Tanner Dickinson of Rockport is the son of Amanda and Jeremy Sargent. He was a member of Future Farmers of America and Fellowship of Christian Athletes. After graduation, Dickinson plans to earn his CDL.

Kylea Donoho is the daughter of Mike and Dawn Donoho of Rockport. She has been in Beta Club for three years and Fellowship of Christian Athletes for four. Donoho also

played tennis, basketball, and volleyball throughout high school. She was named a Student of the Month as a freshman, and awarded the 3.5 or higher GPA Award all four years of high school. Donoho was also awarded the Math and FACS Awards as a junior. After graduation, she plans to major in elementary education, while continuing her volleyball career at Indiana University Southeast.

Keagan Douglas is the son of Josh and Jennifer Douglas of Rockport.

Aili Dulin is the daughter of Stephanie Davis of Richland. She has been involved with Student Council and Beta Club for three years. Dulin has also been a member of Rebel Singers and Spirit Club for two years and participated in Natural Helpers/VOICE all four years of high school. She has also been involved in Rockport Youth Council, Freshman Mentors, and Academic Team for one year. Her accomplishments include maintaining a 3.5 or higher GPA for three years, receiving her CNA Certification as a junior, and giving more than 100 volunteer hours. After graduation, Dulin plans to

attend Ivy Tech Indianapolis to major in Mortuary Science and become a Mortician.

William Fuqua of Rockport is the son of Nathan Fuqua, Barbara Bretz, and Teresa Fuqua. He played basketball for four years, football for three, and soccer and golf for one. Fuqua earned Student of the Month as a junior and maintained a GPA of 3.5 or higher for two years. After graduation, he plans to attend the University of Southern Indiana to major in management.

Chester Gaither is the son of Erica and Duck Gaither of Maceo, Ky. He was a member of choir. After graduation, Gaither plans to attend Vincennes University to study funeral services along with owning his own funeral home or go into forensic pathology and then join the police force.

Jason Gibson is the son of James and Mary Gibson of Richland. He participated in Chess Club for three years and Future Farmers of America for four. Gibson is going into the boilermakers apprenticeship program right after high school and pursuing a career of welding and fabricating.
