

So much planning and preparation goes into a couple's wedding day that it's important to have friends and loved ones to count on in a pinch. Fortunately Alexis had just that kind of support as she got ready to walk down the aisle into her future with Logan.

Above: Lady in Waiting Abby Long attends to her duties of assisting the bride, ably assisted by bridesmaid Audra West.

Right: Logan gets to kiss his bride!
The newlyweds walk down the aisle as Mr. and Mrs. Withers.
