Coach's Comments

**Brayden
Davenport**

Brayden is coming into this season as a sophomore. He is a strong, physical post player who has shown a lot of growth since his freshman year. He is very coachable and works hard to improve his game. He made big strides last season and has started to show more confidence and skill around the basket. If he continues to develop and put in the work, we believe he can become a reliable and impactful presence for the Dragons in the years to come.

**Uthy
Laws**

Uthy is an offensively gifted guard who can score in a variety of ways, including crafty finishes around the rim and knocking down mid-range, and three-point shots. His quickness allows him to create opportunities for himself and others, and it also makes him a capable on-ball defender. With his experience and skill set, we expect him to be a key contributor and senior leader for the Dragons this season.

**Massiah
Shively**

Massiah is coming into his senior season after being sidelined last year due to a major knee injury from football. He is a tough, hard-nosed player who brings physicality and effort every time he steps on the floor. He has improved with his finishing and scoring, and has been a good rebounder and defender for us. We believe his leadership, toughness and work ethic can make him a difference maker for us this year.
