

A beautiful day to look at... ice

Sean Curry, the Green County Property Valuation Administrator, shovels snow and ice in front of his office. He and other business owners discovered that the thick sheet of ice was difficult to remove.

A huge pile of snow accumulated in front of Greensburg United Methodist Church at the corner of First and Court streets in downtown Greensburg because of the necessary plowing and scraping of the streets.

The football field and track at Green County High School remains snow and ice covered but the athletes are busy with weight lifting in preparation for next season.

Deer gathered under a tree near Quail Valley Drive last week. An abundance of deer is often seen in that neighborhood.
