# Coach's Comments

**Levi Choate**  
Levi came into the program this summer and quickly surprised us with his relentlessness and high motor. Despite having less playing experience than some others, he has shown a great deal of potential and has already made an impact at the F/JV level. We look for Levi to continue developing his offensive game, and we're confident that if he maintains the same motor, he will remain a strong defender and rebounder.

**Blain Bailey**  
Blain is a sophomore guard who has made noticeable all-around improvements since his first year in the program last season. He has taken a big step defensively and consistently does the dirty work in both practice and games. As he continues to develop his handle and scoring ability, we're excited to see the progress he can make over the next two seasons.
