

2025-26

FFA

Officer

Reflections

2025-26 Green County FFA Officers are: front, from left: Danielle Milby- Secretary, Breely Ervin- President, Anna Warf- Reporter; back: Chloe Howard- Sentinel, Ty Bonta- Vice-President, Eli Thompson- treasurer.

Breely Ervin – President

Hi, my name is Breely Ervin, and I am the President of the Green County 2025-2026 FFA Chapter. I like to encourage others that FFA isn't only for the "country kids". FFA is for everyone! You meet so many new lifetime friendships through FFA. My favorite contest we have attended was Dairy Judging. I got to meet so many new friends, learn so many new things and bond with my chapter as a whole. My SAE deals with whether putting pepper in chickens' feed affects their egg production, working with horses, and helping with my family garden. My favorite class topic is definitely Greenhouse because I love to plant flowers and garden with my mom. Being in an Ag class will help me with my future plans by helping me better understand the world around me!

Ty Bonta – Vice-President

The idea of being an FFA officer was first introduced to me when I was in middle school. My relatives were very fond of FFA, and I wanted to introduce in their footsteps. I watched and waited for my opportunity to apply for an officer role. When I was elected Vice President, I was introduced to the responsibilities of my position. My experience as an officer has shown me a perspective of leadership and cooperation. I have enjoyed my role as an officer and encourage others to take an opportunity such as mine."

Danielle Milby – Secretary

Hey! My name is Danielle Milby, and I am the 2025-2026 GC FFA Secretary. I encourage everyone to join FFA because it is a great opportunity to expand friendships, learn new things, and prepare for the real world. My favorite FFA memories are FFA Camp, National Convention, and competing at a variety of regional competitions. The regional speech contest has been my favorite so far. My SAE project consists of raising sheep with my dad. Ag Construction and Animal Science have been my favorite agriculture classes. Personally, FFA has opened so many doors for my future. FFA can help you prepare for your plans in the future by developing your leadership skills, personal growth, and career skills.

FFA Vision

Growing the next generation of leaders who will change the world.

FFA Mission

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

FFA Motto

The FFA motto gives members 12 short words to live by as they experience the opportunities in the organization.

**Learning to Do,
Doing to Learn,
Earning to Live,
Living to Serve.**

“Cultivators of the earth are the most valuable citizens. They are the most vigorous, the most independent, the most virtuous, and they are tied to their country and wedded to its liberty and interests by the most lasting bonds.”

-Thomas Jefferson - 1785

***Thanks to the American farmer
we are fed, clothed and sheltered.
We salute you.***
