

Eli Thompson - Treasurer

Hey, my name is Eli Thompson. I am the 2025-2026 GC FFA Treasurer. FFA has been truly life-changing for me. FFA has opened a lot of doors for me. It has been a great opportunity to make new friends, learn new things, and to prepare for college. My favorite FFA memory is being able to attend FFA camp. Auctioneering at a variety of field days has been my favorite competition. My SAE consists of beef cattle and sheep production. My favorite agriculture classes have been Ag Construction and Animal Science. FFA has helped me prepare for my future careers.

Anna Warf - Reporter

Hey! My name is Anna Warf, and I am the 2025-2026 GC FFA Reporter. I encourage any high-schooler to join FFA because there are so many different opportunities for success and friendship. My two favorite memories from this year so far are KY FFA Camp and National Convention in Indianapolis. My SAE revolves around my ducks and their egg production. My favorite ag class has been Agri-science because you learn so much about so many different topics throughout the one class, such as welding, construction, electricity, planting, livestock, etc. FFA has opened the door to many career opportunities for me personally and has provided me with friendships that will last a lifetime. I love FFA!

Chloe Howard- Sentinel

Hello! My name is Chloe Howard and I am the 2025-2026 Green County FFA Sentinel. Joining FFA has always been something I looked forward to joining before I even started high school. FFA is a great opportunity for many reasons like learning agriculture, business, and science, which can help lead you to more job opportunities in the future. FFA is an organization that can also help your future by improving skills like teamwork and communication. Overall it builds confidence, you connect with others that have the same interests building friendships, and it gives you experience, making you more prepared for whatever path you choose! There are so many good and fun memories I have from being in FFA but my favorite one from this year would be going to our state convention in Lexington.

Carson Scott, Ty Bonta, Brayden Davenport, Eli Thompson, Danielle Milby, Gracie Hazelwood, Breely Ervin, Anna Warf, and Kiley Bradshaw got a picture with the Big FFA Camp Tree.

We are proud to salute the GCHS FFA for their hard work and dedication! Best wishes as you prepare for successful careers.
