

Growing Beyond Ready Leaders in Green County

Ag Tag \$10 Donation Benefits 4-H

In 2025, Green County raised \$4,530 through the Ag Tag Voluntary Donation Program.

These generous contributions directly support Kentucky 4-H, Kentucky FFA, and Kentucky Proud, strengthening our local agricultural Community and investing in its long-term success across the Commonwealth.

Agriculture remains a foundation of life in Kentucky, and programs like Kentucky 4-H play an essential role in preparing the next generation. Through these programs, young people learn leadership, responsibility, citizenship, and service; skills that help sustain our agricultural heritage and our rural Communities. A simple \$10 donation when renewing your Ag Tag helps make this work possible and creates lasting opportunities for the youth of Green County.

Kentucky 4-H is one of the state's most impactful youth development programs, offering hands on learning experiences in areas such as livestock judging, robotics, public speaking, 4-H camp, and Teen Conference. These opportunities help youth build confidence, gain practical skills, and become strong leaders within

their Communities. Here in Green County, more than 700 young people participate in programs such as sewing, country ham, gardening, livestock club, shooting sports, horse club and numerous school enrichment activities. These experiences are shaping the future of our agricultural Community and supporting the next generation of Kentucky leaders.

As we look ahead to the March 2026 Ag Tag renewal period, we encourage you to consider making the voluntary \$10 donation when renewing your farm license plate. If every resident in Green County contributed, we could raise more than \$20,000, a contribution that would make an extraordinary difference for our youth and our Community's future.

Your support helps ensure that agriculture, leadership, and opportunity continue to grow here in Green County. Please consider making your Ag Tag donation this March to continue building a brighter future for our youth and our agricultural Community.

For those that don't have farm tags, be looking for a brand-new opportunity to support 4-H, FFA and Ky Proud when you renew your tags this year.

For more information regarding opportunities for youth through Green County 4-H, contact Green County Extension Agent for 4-H Youth Development, Sue Ann Loyall at 270-932-5311.

National FFA WEEK

FEBRUARY 21-28, 2026

Monday 2/23 U.S.A.!!! 	Tuesday 2/24 Camo 	Wednesday 2/25 Tough Enough to Wear Pink 	Green Co. FFA Week 2026 Kickoff Saturday, 2/21 5:00pm Greenhand Ceremony 5:30 Soup Supper 6:00 Games Green County High School
Thursday 2/26 FFA Apparel 	Friday 2/27 Flannel 	Friday Activities: *Drive your tractor *Lunch & Games	

FFA members did roadside clean-up for Earth Day in April.

We celebrated our FFA members at the end of the 2025 year.

Robby Beard, a member of GCHS FFA 1978-81, and the Green County Sheriff's Department are proud to salute the Green County FFA.
