Coach's Comments

Braylon Adkins

Braylon's game has progressed well during his freshman season. He has gained valuable experience at the F/JV level handling the ball as a guard and has shown the ability to knock down threes and finish tough shots around the rim. Braylon is a promising young player who will continue to improve as he gains more experience in games and practices.

Reece Mitchell

Reece came into the program as a freshman with a strong foundation after starting on a very successful 8th grade team last season. He has really good size for his position and the ability to step out and play on the perimeter, which gives him versatility on both ends of the floor. Reece does a nice job finishing through contact and isn't afraid of physical play. He has shown that he can knock down outside shots, and he brings energy that can get the rest of the team fired up.
