Coach's Comments

**Cainan
Pennington**

Cainan is a sophomore in his first year in the program. He embraced the process from day one and has made noticeable improvements as a result of his dedication. He made the most of his time in the gym and consistently worked hard to improve in all areas. He has a great attitude, is extremely coachable, and genuinely loves being in the gym. Players like Cainan set the tone in practice because of their effort and willingness to learn, and we saw him setting this example all year. If he continues to develop his confidence and skills, we're excited to see how much growth he can make moving forward.

**Isaac
Moss**

Isaac is a freshman who brings scoring ability and creativity to the floor. He's a very capable three-point shooter and has a natural feel for finishing around the rim in different ways. He has competed on the F/JV level and continues to improve each week. Right now, his biggest area of growth is developing as a playmaker. We want him to be focused on learning to create for others as well as himself. Isaac is a hard worker who genuinely cares about getting better, and that mindset will continue to help him develop into a well rounded guard by the time he is a senior.
