

JRR Motor Sales' Egg Hunt

Youngsters competed in the egg-and-spoon race Saturday at JRR Motor Sales Easter Egg Hunt. This was one of several games played at the event.

JRR Motorsports dirt track late model race car was showcased during Saturday's Easter Egg Hunt at JRR Motor Sales in Campbellsville. Justin "Rattler" Rattliff is the driver of this vehicle.

A large crowd attended the Easter Egg Hunt at JRR Motor Sales in Campbellsville Saturday. Some 10,000 goodie-filled eggs were available for kids to hunt.

Carman Padgett, 3, daughter of Casey Padgett and Danielle York, Greensburg, accepts a bunny rabbit to pet from Shauntavia Owens, of Paws & Hearts Pet Therapy Farm.

Geronimo Power to present \$10,000 donation to Exie Fire Department

Geronimo Power will present a \$10,000 donation to the Exie Fire Department on Wednesday, April 15, as part of its ongoing engagement with the Green County community.

The check presentation will take place at 5:00 p.m. at the Exie Fire House, located at 8629 Edmonton Rd, Greensburg, KY 42743. Community members are welcome to attend.

The Exie Fire Department was selected in recognition of the important role it plays in protecting and supporting the local community. With strong ties to nearby landowners and the surrounding area, the department is a trusted resource for emergency response, training, and preparedness — and one Geronimo Power is proud to support.

This initiative is being led locally by Joe Leonard, Senior Project Developer, and Noura Hennen, Senior Manager of Project Development.

“Local fire departments are a critical part of keeping communities safe, and we wanted to support the Exie Fire Department in a way that’s both meaningful and practical,” said Joe Leonard, Senior Project Developer at Geronimo Power. “As we continue working in Green County, it’s important to us to invest in the people and organizations that serve this community every day.”

The presentation will include brief remarks, followed by an opportunity for attendees to connect with the team.

As development of the Exie Solar project moves forward, Geronimo Power will continue engaging with local stakeholders and supporting the surrounding community. This donation is one example of that commitment in action.
