**Green County 3 Central Hardin 2**

The Dragons beat Central Hardin in last year's 5th Region Tournament by a one run margin and this game was just as close. Green County did

all their scoring early in the game, plating two runners in the first inning and adding one more in the bottom of the second inning.

In the first inning, Allen walked and then stole second. Squires doubled to right field

and scored Allen from second base. Houk then singled to center field and that allowed Squires to score.

With two outs in the second inning, Matney walked and then Allen walked again. Squires then singled, bringing Matney home to take a 3-0 lead.

Central Hardin scored both their runs in the top of the sixth inning and left runners on second and third base.
