After being run-ruled by LaRue County and Barren County, the Lady Dragons responded with a run-rule of their own against Marion County Friday night at American Legion Park. The team is now 1-2 in the 18th District race and 7-12 overall.

LaRue County 14 Green County 4

Despite the final score, the game looked like Green County was in complete control in the first inning as the Lady Dragons scored three runs on four hits.

Hazel Sharpe, MacKenzie Johnson, Ava Hickerson and Kylee Hargan hit singles in the first inning. Those hits along with a LaRue County error resulted in the early 3-0 lead for the Lady Dragons.

Green County, however, did not score again until the fourth inning. With two outs, Hayden Garrett singled to start a rally. Another LaRue County error allowed Alexandria Slone, who was a courtesy runner for Garrett, to advance to third. Johnson connected on another single, scoring Slone.

Hargan was perfect at the plate, going three for three in the game.

Head Coach Jeff Wright again switched the lineup around, trying to find a combination that would work for the Lady Dragons' advantage.

LaRue County had two big innings in the game, scoring five runs

in the bottom of the second, six runs in the bottom of the fourth and then in the bottom of the fifth inning, LaRue scored three more runs to cap off the 14-14 win.

Barren County 11 Green County 0

The Lady Dragon bats were all but silent in this game as only two players were able to put the ball into play. Hargan and Hayli Milby hit singles for the team and Hazel Sharpe was hit by a pitch but no Green County runner made it past first base in the game.

The Barren County batters, however, had 13 hits, resulting in 11 runs in the five-inning game.

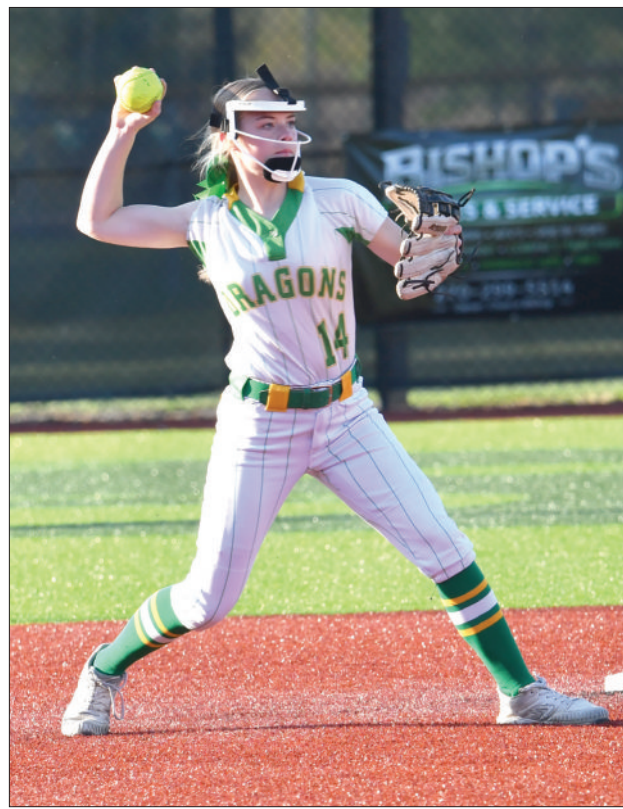

Green County 10 Marion County 0

Friday night, the Lady Dragons regrouped and beat up on Marion County as they defeated the visiting Lady Knights 10-0. This broke a four-game losing streak for the Lady Dragons.

Green County scored in every inning except the first inning, but Hazel Sharpe pitched a one-hitter from the mound as the Lady Dragon defense completely shut down the Lady Knights. She also leads Green County with a batting average of .500 after this game.

Every hit for the Lady Dragons was a single, but the hits came at just the right time, and the aggressive base running was spot on.
