

Anna Warf selected Bausch & Lomb Honorary Science Award recipient

Green County High School student Anna Marie Warf, daughter of Lile and Ivy Warf, was selected as the Bausch & Lomb Honorary Science Award recipient for the 2025-2026 school year.

One qualified junior per school may be chosen for this award annually and should have excelled in science classes throughout high school.

Anna will be a senior during the 2026-2027 school year and is pursuing an honors diploma at GCHS.

The beautiful weather last week meant that the playground was full at American Legion Park last week. Baseball and softball games were going on but the younger children were having a ball on the playground.

SPECIAL TO THE R-H

Forty-six students from Green County Middle School are celebrating their recent participation in the Kentucky Junior Beta Convention, themed "Wired for Success". Students participated in many events and represented our community and school well! Many excellent academic scores were earned, displays of teamwork and leadership were exhibited, beautiful visual art displays, as well as show-stopping performances. We were also very proud of our Presidential Candidate, Will Davis as he campaigned and gave a captivating speech to all attendees. In support of Will's presidential campaign, our club presented a campaign skit.

County Middle School A team from GCMS also won the title of Scavenger Hunt Champions!

As always, we appreciate the support of our school and community in giving our students the opportunity to represent our community.
