

Green County High School Top Graduates in the Class of 2026

BY CRYSTAL CECIL
R-H STAFF

The following graduates of Green County High School Class of 2026, as given by the school as of press time, have completed the requirements for an Honors Diploma, have a 4.0 grade point average, and have obtained at least a 21 on their ACT Score.

Kaleigh Files

Kaleigh Files is the daughter of James and Jeri Files. Her plans for the future are to work as a CNA and become a Registered Nurse.

Every successful person has people who influenced and supported them. Who would you like to give credit for helping inspire you, and what did they do to help you achieve as highly as you have?

Some people who inspired me are my parents, as they pushed me to achieve great things and supported me throughout my academic career. Others that helped me and pushed me would be some of my high school teachers (Mrs. Lay, Mrs. Mooney, Mrs. Olson, Mrs. Bagby). These women have made sure I am making plans so I can reach my goals.

What were the biggest obstacles you had to overcome?

I think the biggest obstacle I had to

Kaleigh Files

overcome was my struggle with anxiety throughout my school years.

With success comes responsibility as a role model to those who follow you. What advice would you say to students who aspire to achieve what you have?

I would tell younger students to take breaks. Working hard is important but taking care of your mental and physical health is just as important, and without that you will fall short of your goals.

What would you like people to know about you and your school career?

I am grateful for my education and I am glad I got to experience everything I did at GCHS.
